For years I have specialized in the study of refractive conditions of the human eye, the correction of its faults, and the elimination of eye strain and its resultant evils, with glasses fitted and adjusted to correct all errors.

I have successfully handled hundreds of cases in Albuquerque, and other hundreds throughout New Mexico, Arizona and Colorado.

This is my ninth year in Albuquerque. If your eyes suffer from the want of glasses

I CAN HELP YOU.

### Attention, Knights of Pythias

In line with the movement to establish in Albuquerque a big national Pythian sanitarian, a committee consisting of Dr. W. G. Hope, J. E. Elder and W. W. Bowes has been appointed by Mineral Lodge No. 4, Knights of Pythias, to gather statistics as to the number of members of the order in Albuquerque whose membership is held in lodges elsewhere than in Albuquerque. These statistics are desired for the purpose of submitting them to the Supreme Lodge of Knights of Pythias, at its meeting in Winslow this summer, in order that the Pythian membership in this city and section may be fully understood.

All Knights of Pythias, who are members of lodges other than Mineral Lodge, are requested to fill out the coupon below and mail it to W. W. Bowes, 235 East Central Avenue, Albuquerque, New Mexico.
